 **WORK** |

| **SKILLS** 

EDUCATION DIPLOMA

MultiMedia Design | Community College | MBO level 4 **2004 | 2008**
School of Art and Technology | ROC van Twente | Enschede
Graphics | *designing media with still standing image and text.*
Authoring | *designing (on/offline) media with interaction.*
Animation | Audiovisual design | *designing media with moving images (and sound).*

INTERNSHIP | QPMedia in Denekamp | *half a year.* **2008**
| I mostly worked on designing and creating corporate identities and websites. Most of the sites were built in a Content Management System, this is what I learned to handle and work with. See online internship report | www.exquision.com/stage2008

INTERNSHIP | Infomask in Deventer | *half a year.* **2006 | 2007**
| The work I did was creating Flash animations to make online learning a bit more fun. These were filmed | the voice-overs were recorded | animated and assembled. I was also involved with the graphics. See online report | www.exquision.com/stage2006
